

The Mr. Good Egg Farmer Model Tractor Overturn Activity: Instructor's Guide and Materials

Demonstrating how a ROPS and a seat belt work

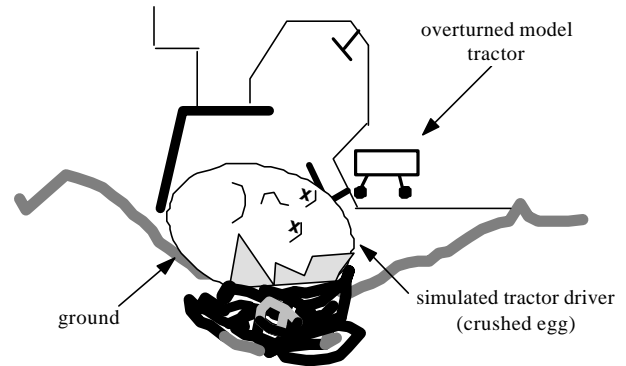

Effect of overturning a tractor without a ROPS

Living dangerously! (No ROPS, no seat belt.)

Some folks think a \$1000 is too much to spend for a ROPS, so they risk the lives of everyone who drives the

An overturn without a ROPS!

Think of a ROPS as an inexpensive, one-time payment on a life "assurance" policy for you and your family!

A hands-on simulation of tractor overturns that demonstrates the effectiveness of ROPS and seat belts in preventing injury and death to the tractor operator.
