Question F (Write your answers in a few words in the boxes after each question.)

1.	How risky is it to have second riders on tractors, especially children?	
2.	What are the costs and consequences when a child second-rider is seriously injured or killed? What happens to the family?	
3.	What can be done to break the habit of having second-riders on tractors? (Think about both the children's and the adults' habits.)	
4.	Who can and should do something about preventing second-rider injuries and deaths to farm children? Are you that person?	
5.	What can <u>you</u> do to prevent second rider injuries and fatalities?
